

2024-2025 NeuroSci 101

Memorandum of Understanding on Attendance

In order to receive a certificate of completion, I, _____, understand that I must attend 9 out of the 12 lectures, **EXCLUDING** review sessions. I understand that I will need to fill out and submit an attendance survey that will be posted after every lecture, which will serve as a proof of attendance. The form will be open for 24 hrs after the lecture ends or after the attendance survey is posted, and if I have any issues, I will immediately contact Neurosci101 (neurosci101cpinuoft@gmail.com) or Dipa Chatterjee (dipa.chatterjee@mail.utoronto.ca) within 24hrs post-lecture. I understand that if I do not fill out and submit the survey in addition to attending the class, I will **NOT** receive attendance credit for that lecture.
